

What we have been up to at DDC

🍁 Happy October! 🍁

Autumn is here, the weather has definitely changed, and we've been busy enjoying lots of seasonal activities throughout the nursery!

The Red Foxes enjoyed an autumn walk where they collected leaves to use in arts and crafts. Meanwhile, the Pink Piglets explored their very own pumpkin patch! They had fun discussing the different textures and colours of the pumpkins and swapped and traded them with one another.

The Yellow Chicks continued the Autumn theme and made their own Autumn sensory bottles. Preschool have also been exploring the changing seasons with some Autumn spiced playdough.

All our age groups have settled beautifully into their new areas and rooms, and we couldn't be prouder! The children have shown such confidence and enthusiasm; our staff have been amazing in supporting the transitions and our parents have been wonderfully supportive throughout.

What we have coming up!

Please remember we are closed to ALL CHILDREN on Friday 24th October for our staff training day (you have not been charged for this day).

Dates for Your Diary:

Friday 31st October – Children are welcome to come in Halloween fancy dress if they'd like (no pressure if they prefer not to).

Friday 14th November – PJ Day for Children in Need! While we won't be collecting donations at nursery, families are welcome to donate directly through the Children in Need website.
